

# RESPECTFUL PARENTING

A workshop for parents of children of all ages

4th-5th November 2017  
Peria School

**Are you sick of ...**

Kids fighting?

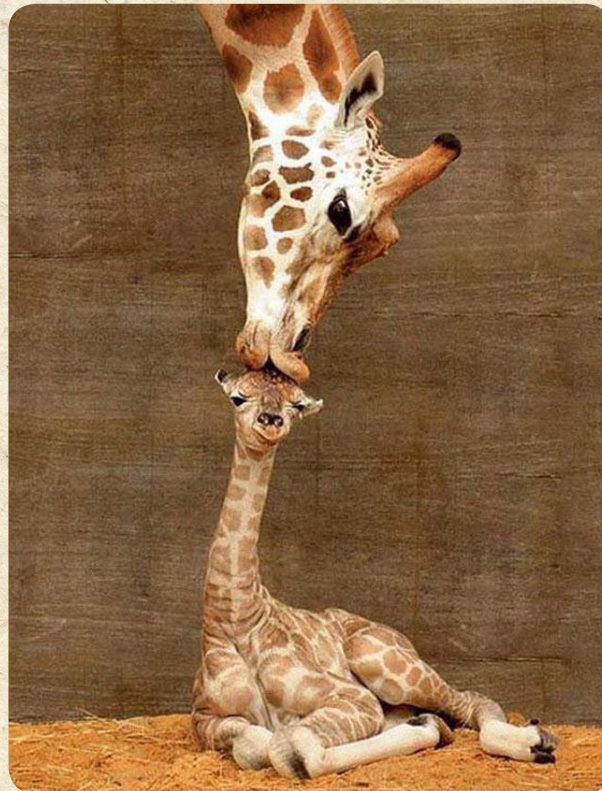

Power struggles?

"No!"

Tantrums?

Nagging to get jobs  
done?

Conflicting parenting  
styles?

**Would you like ...**

Harmony and  
cooperation in the  
family?

Fun, trust, and ease?

To resolve conflicts  
peacefully?

To motivate your  
children to willingly  
contribute?

Lifelong relationships  
of trust and enjoyment  
with your children?

**Developed from Nonviolent Communication (NVC) by Dr Marshall Rosenberg ([www.cnvc.org](http://www.cnvc.org)), this workshop will give you practical tools to create relationships with your children based on mutual respect, emotional safety, and positive, open communication.**

Communication Coach. Facilitator. Mediator.

Jocelyn has over 25 years' experience  
facilitating groups and working with  
individuals and couples, and has trained with  
the founder of Nonviolent Communication  
(NVC), Marshall Rosenberg.

In 2009 she co-founded NVC Aotearoa  
([www.nvc.org.nz](http://www.nvc.org.nz)), a charitable trust estab-  
lished for the support and growth of NVC in  
NZ, and she is the director of Communication  
for Life ([www.communicationforlife.co.nz](http://www.communicationforlife.co.nz)).

*"Using NVC with my children, I feel as if there's been a marked increase in their cooperation and my understanding, and our house is a more harmonious place as a result." — Polly, course participant, Far North*
